1072 Bailey's Run Road, Tarentum, PA 15084

Graphic Edge Studio is an official photographer of the 2018 BRINE LAX SPLASH LACROSSE TOURNAMENT! The Graphic Edge team will be creating graphically enhanced custom posters for each registered team!

Parents, please look for the Graphic Edge team members who will be handing out an order form for each of the participating teams. The order forms will include a sample poster for your review and instructions to explain the ordering and pick up process.

To better ensure every parent gets an opportunity to order a poster, a team parent or team representative willing to take ownership of collecting their team is helpful. Order forms need to be submitted at the booth prior to your last game to ensure receipt of your posters the same weekend.

Posters are \$30 each. If your team orders 7 or more posters then you receive a discounted price of \$20 each. Frames can also be provided for \$10 each. Visit [www.graphicgestudio.com](http://www.graphicgestudio.com).
